Sir:

**STATEMENT OF THE SUBSTANCE OF APPLICANT INITIATED INTERVIEW IN
ACCORDANCE WITH C.F.R. § 1.133(b)**

Summarized below is the substance of a telephone interview between Examiner Joseph Martinez, and the undersigned agent of record, held on April 12, 2006.

The Application under consideration has been finally rejected by Examiner Martinez. In the telephone interview, the Examiner and Mr. Ralston discussed the definition of the term “swells and contracts” as used in Claim 1. It was agreed that the meaning of the term includes a change of

volume. The Examiner indicated further consideration of the cited art in view of this agreed meaning, supported by a response after final rejection, is necessary to advance prosecution.

The Applicants request the Examiner to telephone the undersigned attorney of record at (972) 480-8800 if such would further or expedite the prosecution of the present application.

Respectfully submitted,

HITT GAINES, P.C.

A handwritten signature in dark ink, appearing to read "Andrew Ralston", is written over a horizontal line.
